  - d. Manifesto Section
  - e. Admin Creation & Deletion

# Heroku

Heroku is a site that actually hosts our website and that the link <http://www.coalitionforabrightergreene.org> points to when someone go to the site. It is best maintained by a professional and should not require any maintenance except for when a major site change is made.

1. To login to Heroku go to <http://www.heroku.com>
  - 1.1. Login Credentials can be obtained by an authorized admin.
    - Warning making changes here can cause crashes and should only be done by someone who has knowledge in making any authorized change.

## Gmail

Gmail is the email service that the site uses to receive any incoming messages from any contact form on the site.

1. To view any messages go to <http://www.gmail.com>
2. Enter the email login and password
  - 2.1. Contact an authorized web admin for login credentials.

## Amazon Web Services

Amazon Web Services is a place where our database , which stores such things as the manifesto signer information,a mailing list, encrypted admin(s) login information, updateable data such as, Spotlight section,Sponsors,News articles links, volunteer information. This is another thing best maintained by a professional and should not require any routine maintenance.

1. Everything here should not require maintenance however billing information may need to be updated if you go over the free tier or when the 1 year trial date is over. After the 1 year date prices are very reasonable.
2. To login go to <http://www.aws.amazon.com>
  - 2.1. Login credentials can obtained by an authorized admin.
    - Warning making changes here can affect your database which can cause a loss of data on the site and make it unusable.

3. Click on the "Sign in to the Console" button.
  - 3.1. Enter your authorized credentials
    - 3.1.1. Click on Coalition for a brighter Greene , located near the top right of the page.
    - 3.1.2. Click on "My Billing Dashboard"
      - 3.1.2.1. On the left side of the screen choose "payments methods"
      - 3.1.2.2. Update card information by choosing edit, or choose add new to add new payment information.

## Google Drive

Google Drive is where the documents located in the services sections are stored and able to be edited or updated and changes made here will reflect immediately so on the site.

1. To login go to <http://www.google.com>
  - 1.1. In the top right corner click on sign in
    - 1.1.1. Enter authorized credentials.
    - 1.1.2. Login credentials can obtained by an authorized admin.
2. In the top right corner you will now see a 3 x 3 square of small squares
  - 2.1. Click on it and in the pop up choose Drive
  - 2.2. Look for the file you wish to edit and update
    - 2.2.1. Double click and a new window witht the file should pop up where you will be able to make any desired changes.
      - Make sure to be careful as any changes here will reflect on the site without requiring anything else.

## Paypal

Paypal is where any donations that come in the coalition through the site will be securely processed and where detailed records can be found.

1. To login to paypal go to <https://www.paypal.com/us/home>
  - 1.1. In the top right corner click on "Log in" .
    - 1.1.1. Credentials can be obtained by an authorized admin.

- 1.2. This should never require any maintenance after the setup and configuration was initially made.
